

Middle schools provide the perfect setting to develop and maintain physical fitness of youth as they enter their growth spurt. This is also the time to continue converting fundamental movement skills into fundamental sport skills.

Middle schools are ideal for exposing youth to a range of physical activities and sports, so they can begin to discover sports they enjoy and build confidence in basic skills.

Mission and Vision

"Sport for Life" Program

The mission of the *Sport for Life Program* is to provide students exposure to a variety of sport and recreation activities in a Catholic environment with the focus on creating life-long active and healthy lifestyles. Students will have the benefit of building athletic skill, along with leadership qualities in a faith-filled setting. The program is based on the Canadian Sport for Life (CS4L) model, which is a movement to improve the quality of sport and physical activity in Canada through improved athlete training and better integration between all stakeholders in the sport system, including sport organizations, education, recreation and health.

PROGRAMS OF STUDY

The program will be based on the following curricula:

- Physical Education
- Health
- Career and Technology Foundations

TOPICS of STUDY

- Sports Leadership
- Health and Nutrition
- Sports Psychology
- Training Principles

- Be disciplined, dedicated, and committed to improve
- Be highly motivated

INFORMATION

Open to grades 5- 8 for the 2022-2023 school year at St. Theresa Middle School

- Students receive instruction in core subjects: Mathematics, Science, Social, Language Arts and Religion
- Enrollment in the program constitutes all of the option programming received for the year
- All classes will be supervised by certified teachers
- For specialty sports, certified instructors will be employed to ensure correct training and implementation
- Based on Canadian Sport for Life (CS4L) and Long-Term Athlete Development (LTAD), a developmental pathway whereby athletes follow optimal training, competition, and recovery regimens

Please note: The program will run only if there is adequate enrolment, accompanied by the commitment deposit.

Classes will be capped at 30 students. Any subsequent students will be placed on a waiting list with additional cohorts added based on sufficient registration.

*Fees are subject to board and ministerial approval
